# A YEAR IN REVIEW

## *Nevada's Counties - Stronger Together*

Our counties reflected the country, as we continued to tackle numerous challenges this year, providing the day-to-day services our communities expect, along with the ongoing response to COVID – 19.

This year NACO and our County Members navigated a unique session of the Nevada Legislature. The 81st Session occurred during quarantine, and began with a closed legislative building, eventually opening in the final weeks of session.

NACO tracked over 500 bills on behalf of Nevada's Counties and passed NACO sponsored legislation. Legislators will now be trained on local government, NACO increased the county voice on statewide boards with the passage of AB2; and we worked to mitigate impacts from potential legislation. NACO and Nevada's Counties worked collectively to lessen the fiscal impacts of criminal justice reform, preserve local revenues, and oppose the creation of Innovation Zones.

Counties fought COVID 19 - with community testing, vaccine, and treatment sites, and providing support through health districts. As Nevada emerges out of the pinnacle of the pandemic, Counties are providing housing, rental assistance, and grant assistance to small businesses.

As we continue to take the lead on public health response, Counties are leading with innovation. In 2022, Churchill, Elko, Eureka, and Mineral Counties are looking to form a regional health district. NACO hired a Public Health Coordinator, through a federal workforce grant – awarded through the Nevada DHHS. This position will assess public health in our rural counties, identify possible service gaps and identify success in local public health services. This position will provide support and coordinate resources to counties in the public health arena.

Wildfire season impacted Northern Nevada, again counties were on the front line of the emergency and community response. Douglas and Lyon counties partnered to assist with evacuation efforts from the Tamarack fire. During the Caldor fire in Lake Tahoe, Clark County provided critical firefighting personnel and Washoe County provided evacuation and infrastructure support to Douglas County.

County commissioners, staff and our private sector partners gathered in Churchill County for NACO's annual conference. Nearly 250 individuals attended the 3-day event, hearing from experts on panels discussing public health, Cannabis regulations, and ARPA funds and planning.

NACO is proud of the collaboration, leadership, and accomplishments of our member counties in 2021. We will continue to support their efforts in solving the problems facing our communities. Counties are the *"government closest to the people"* and we work to respond to the needs of all Nevadans' so our communities can prosper and thrive.
